Ybcbags®

The supreme backpack manufacturer

We are a growing bag manufacturer located in Mumbai. The reason for using the word growing is that we believe in learning. So we are always growing. Well, YBC Bags is a specialized bag manufacturing firm which is hunger for unique and innovative designs. We penetrated into the market in the year 2015 and were consistent in learning the market and its trend. After a complete study we started our journey.

At YBC Bags we design such bags which would obviously bring a "WOW" factor and are also proud to show off to the world ! Get in touch with us to get your pack of YBC Bags's enthusiastic promotional spirit.

We are also specialized in backpack bags manufacturing. We have a special team which customizes every bag design and does an in depth study helping customers to get the best bag. Apart from that YBC Bags also works on corporate orders. Corporate often requires customized products for gifting their employees. YBC Bags is among the best bags manufacturers providing such items ensuring secrecy and quick delivery. YBC Bags is the top bags manufacturing company aiming to bring the usability of technology in creating stylish and ergonomic bags and that too at an affordable price. Services and solutions should be extended to the clients in such a way so that they never feel dissatisfied in any aspects.

WATER PROOF BAGS

Dry bags are completely waterproof, snow proof, and dustproof. Made of 500D PVC Tarpaulin material, the bag is completely waterproof so that your essentials inside this bag are safe and secure with the best quality materials that promise long life, durability, and toughness. One doesn't have to be worried about getting the bag wet by dropping it in water while trekking through a difficult terrain.
